

LEIGH MOORE

My name is Leigh, I am 52, and married with three sons and a grandson.

I belong to the FMDM associates. It has been one of the best things I have joined. I live half an hour from the Motherhouse so I am lucky to be able to visit regular to Ladywell, as this happens to be my nearest FMDM Convent.

Once a year we make a weekend end retreat, where all the associates meet up from all over the UK. Over the years my friendship with the Sisters and associates has grown, like my faith, with the spiritual help of our very own associate sister.

I am a member of my Parish community and take communion to the sick, belong to the Union of Catholic Mothers. I try to go to Mass in the week, with the support of Ladywell in my prayer life.

I feel I can regain the extra strength needed to help others in today's modern life.
