

Sister Rogita Bonaventure

What does it mean to be a religious today?

The patterns of religious life have changed and will continue to change but the Gospel message of Jesus still remains, which is what drew me into religious life.

To live the Gospel values of love, compassion and forgiveness that Jesus taught two thousand years ago.

This is what I desire and continue to build on – my relationship and commitment to Jesus.

Rogita is from Nigeria. Presently she is assigned to our mission in Kasanka, Zambia.
