BBC Tour

www.bbc.co.uk/news

On 18 June, some FMDM sisters joined the tour of the BBC Broadcasting House. In this picture, Sr. June Shirville had a practice in the studio to be the news reader at the BBC desk.

It was an exciting, entertaining and informative tour, and it makes one proud to be British when you hear about the rich history of the building and BBC.

Sr. June Shirville FMDM
BBC news reader for the day!

The BBC tour was organized by the Association of Senior Religious.

Names of countries carved on pavement, at the entrance of BBC building. Tryphena pointing to SINGAPORE!
