

General Chapter 2013 Ladywell

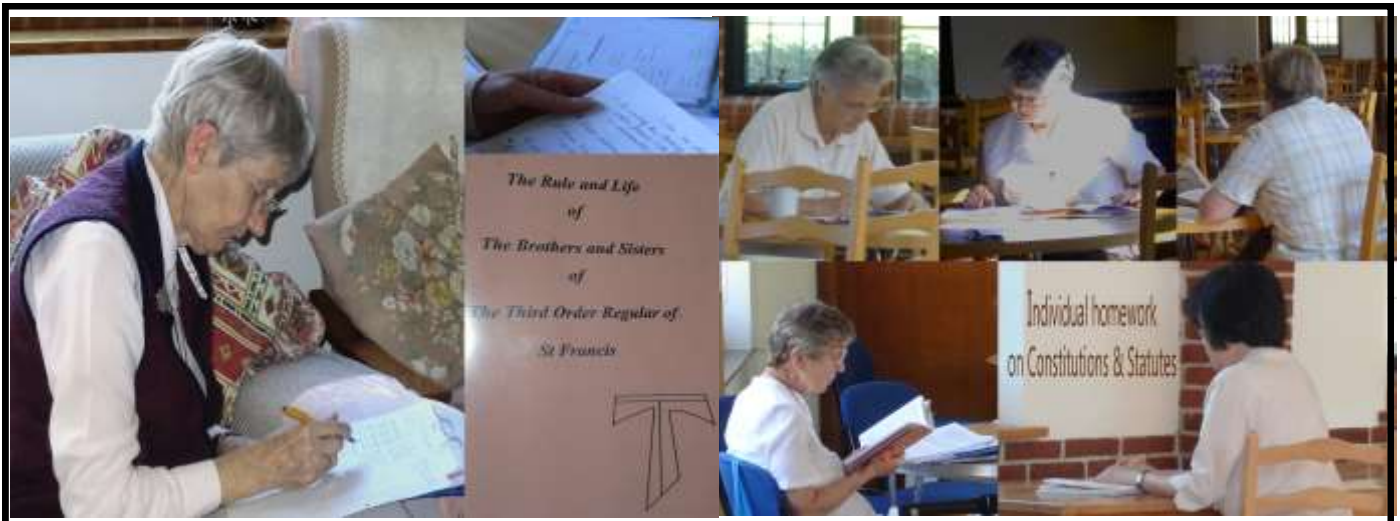

CHAPTER Briefing

Number Ten

The **Opening Prayer** today reminded us that we are "...pilgrims on a journey, that the road is long.....!"
(Enya)

Work in
progress

Chapter Members working hard on how to address changes to the **Constitutions and Statutes** in the light of the future direction.

As part of that ongoing journey, the Chapter Members worked on finalising the **CONTENT** of the Chapter Document.

A number of sisters are now working on **editing** what has been said, whilst others are working on the **layout of this document.**

Another area which is in progress is for each Region to work on a draft plan of **how to present the Chapter message** when they return to their respective Regions.

To help one another, there will be a sharing between Regions so that the essential elements of the Chapter message will be given at the feedback during the Chapter of Mats.

Evening came and morning came, the fifth day!

As in the Chapter theme, we are encouraged to see **Jesus nearing the Chapter boat**

....as the Chapter is drawing to its close on Sunday.

There are many **loose ends** to be put together over the next couple of days...but the Chapter Members are confident that with the guidance of the Spirit and with the help of our skilled facilitators **"All will be well"**.
