

Chapter of Mats England & Scotland Region

On 7-9 October 2016, over 90 sisters from England and Scotland gathered in Ladywell Convent in Surrey, for our Chapter of Mats. This was an occasion for our sisters to meet up to encourage one another on our journey in Christ, for fellowship to review our 'Life and Mission' and to listen to the promptings of the Holy Spirit through one another.

WORKING WITH MY UNFINISHED SOUL

The theme for the weekend was '***Working with my unfinished soul***'. Our facilitator, Jim Simmons led us through this process of exploration and searching of our own inner journey and that of our Congregation.

***The invitation from
the God of Life
to embrace and to hold
my unfinished soul.***
