**New Community in the  
heart of England**

**ARCHDIOCESE OF BIRMINGHAM**

# Setting out

It was with *great anticipation and excitement* on the 4<sup>th</sup> March 2014 that two of our sisters (*Frances Woolman and Theresa Ryan*) left Ladywell, our Motherhouse, in the South of England to start a new Community in the Archdiocese of Birmingham.

The two sisters are renting a house in Coventry for six months whilst researching (*in collaboration with the Bishops of Birmingham Archdiocese*) the area in which the community will be most needed.

During this initial 6 months, they are looking at the ministry needs in Coventry, Tamworth and Stoke-on-Trent. It is hoped that the community will be fully established by the beginning of September.
