

ASSISI Chapter of Mats

FRANCISCAN MISSIONARIES OF THE DIVINE MOTHERHOOD

Day 7: Chapter of Mats Meeting
4th February 2017

MORNING PRAYER

The liturgy today was focussed on boats on the sea of Galilee. Each member had a boat and they were invited to write on the boat their 'favourite place of solitude'.

***The sisters spent time in silence
calling on the Spirit to be with them during the day.***

PRESENTATION from the countries

Members listened intently to the presentations from each country as they shared how they saw their leadership structures evolve.

Listening to the presentations

A Franciscan friar who was staying in Papa Giovanni (*having seen all our work on the wall, on his way to the dining room*) offered to celebrate a **vigil Eucharist** for our Chapter Members.

He challenged them to remember that as Franciscans we are to continue the mission of Jesus to bring the good news to our world.

Chapter members are in the midst of developing and refining all that they want to share when they get home.
