

# ASSISI Chapter of Mats

FRANCISCAN MISSIONARIES OF THE DIVINE MOTHERHOOD

## Day 8: Chapter of Mats Meeting 5th February 2017

### **We are called to be LIGHT and SALT**

This reflection is from the Gospel of the day, *that we are called to be light and salt for our world today*. Chapter members feel encouraged and challenged to live the Gospel message, knowing that the work they are doing now around our **leadership structures** is for the sake of our *Life and Mission*.

This song sums up the desire of our sisters to:

***Bring forth the kingdom of mercy, bring forth the kingdom of peace.***

***Bring forth the kingdom of justice, bring forth the kingdom of God! (Marty Haugen)***

## **FEEDBACK**

Today the Chapter members are preparing their **feedback** and working with all the material they have gathered so far.

In the evening, the sisters went to San Damiano for **Evening Prayer**. For them this was a meaningful, beautiful experience of prayer in the church of San Damiano. The sisters felt united with our Franciscan Family and in solidarity with our world.

As Chapter Members draw to the end of this unique FMDM experience, they once again **thank you for all the messages and for the inspiration received** from Q6. More responses of which will be shared today.
