Two BIG Birthdays in LV

Sr Ignatius turned 98 yrs, with her is Judith Mwangi who made history when she was one of the first Zambian Postulants to enter in Kasaba (1989) remembering that Ignatius was the first local leader in Kasaba (1946).

Sr Victoria made her 90th landmark.

Many Congratulations

THE GATE OF THE YEAR

And I said to the man who stood at the gate of the year: "Give me a light, that I may tread safely into the unknown!"

And he replied: "Go out into the darkness and put your hand into the Hand of God.

That shall be to you better than light and safer than a known way."

So, I went forth, and finding the Hand of God, trod gladly into the night

And He led me toward the hills and the breaking of day in the lone East.

So, heart, be still! What need our little life, our human life, to know, if God hath comprehension?

In all the dizzy strife of things both high and low God hideth His intention.
