THANK YOU

We are all so grateful to our Health Advisory Team and Silvana with Sylvia in particular for their hard work in arranging for everyone in Ladywell, Verna, satellite houses in Godalming, our Staff and our priests to be vaccinated last week. It was a mammoth operation preparing the forms and guiding us all in alphabetical order and then monitoring us for 15 minutes afterwards, well done everyone. We are very relieved although still maintaining all the protocol of lock-down.. We pray for all who are working to end this Pandemic.

For your prayers please

Sue and Gary Broad who lost their daughter Jeanette to Cancer recently... Lorainne Higgins whose father died very recently... Jeanette Marshall (former Care nurse here) R.I.P...

For all our staff and their families who have all been affected in one way or another during this Covid crisis... we remember them all with kindness and love.

We remember Sister

Mater Christi who died very peacefully on 25th January '21 We thank all who cared and catered for her over the past years in La Verna, so kindly and carefully.. May she rest in Everlasting Peace..

December 2021 Christmas Lunch in La Verna, although sadly without our Portiuncula sisters who were in their own bubble

WE ARE RECRUITING

CARE ASSISTANTS –

We are looking for compassionate individuals who enjoy working as part of a team and delivering exceptional levels of care to our sisters.

We are looking for experienced carers as well as people wanting to start out in Care as full training will be provided.

We are looking for the right people to join our expanding team and build something special in the workplace.

HOUSEKEEPING ROLE –

We're growing our team and looking for a housekeeper who has flexibility and enjoys working in a varied role. Job share applications welcomed. Working as a valued team member of the Hospitality team, your role will look after a number of duties including, but, not limited to, daily general cleaning, laundry duties, bed making, assisting with event catering set up along with ensuring conference rooms and hospitality areas are serviced and maintained to a high standard.

On occasion you may be asked to assist the kitchen and helping the sisters with one off tasks. During COVID you will also be doing regular deep cleaning of areas and we will provide full training and provide PPE.

The majority of your working days will be based in and around the Ladywell Campus, however on occasion there may be a need to support the sisters further afield.
