Some local Godalming Good News

Our Parish of St Edmunds has received the
CAFOD Live Simply Award
Congratulations everyone!

*Father Jonathan How,
Parish Priest holding the award*

The parish have pledged to live simply, in solidarity with all people and sustainably with creation.

To gain the award, championed by the charity CAFOD, St Edmund's implemented a number of projects including collections for the homeless and the food bank, recycling schemes, a virtual walking pilgrimage, livesimply eco-tips in parish newsletter, fund-raising for CAFOD's Walk for Water and a weekend plant swap to encourage people to grow their own.

Maureen and Stuart, the livesimply award assessors, commended the parish for their exceptional efforts over the past year to reduce waste, recycle and improve the environment both close to home and around the world.

Fr Jonathan How, parish priest of St Edmund's said: "This is valuable recognition for our parish and our desire to live simply, sustainably and in solidarity with people in poverty. Our work in this area makes us more credible in our mission and provides a forum for dialogue with those outside the church. It is the fruit of much hard work and a lot of prayer, but it is also just a beginning. Our thanks go to the team for their drive and leadership and to everyone in the parish for their support." Congratulations to everyone involved!
