Inside Ladywell

60th Feastday of Ladywell

September 7th 2016 - The Eve of Our Lady's Birthday

Sisters, Staff and Friends gathered at the ancient Shrine of Our Lady of Godalming to pray and sing Evening Prayer on a beautiful, warm late summers evening.

Our grateful thanks to all who helped: from manicuring the Shrine and its surrounds, to carrying the chairs and helping the sisters there and back.

Staycation August 9th 2016

We welcomed Godalming Mayor - Cllr David Hunter, (R) to our Staycation 'Tours and Cream Teas' event.

On a very sunny August afternoon, 150 people joined us for a slide show, a tour of the Convent, followed by delicious home baked Scones, Fresh Cream and Local Strawberries kindly donated by Tuesley Home Farm. Donations received amounted to £500.00 in aid of our missions.

Thank you so much
Everyone

During National Heritage Week 50 people, interested in architecture and heritage were duly welcomed to a presentation slide show of Ladywell's history followed by a guided tour of the house and grounds. Although the weather was gloomy, they all appreciated the visit.

THE LAMPEDUSA CROSS

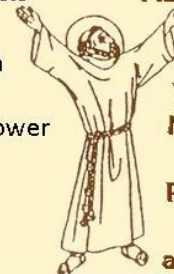

We were very privileged to display the **Lampedusa Cross** in our front Hall for a few days in August: Made by Francesco Tuccio on the Island of Lampedusa, from broken rafts used

by desperate migrants. Messages of prayer and hope were sent from Ladywell to the refugees. Sr Philomena made a moving scene with small white crosses, sea weed and shells. We pray for Migrants.

AND FROM ST FRANCIS

Congratulations to Sister Claudia for growing a jumbo Sunflower and beautiful Hibiscus

Happy Feast Day Everyone, for St Francis of Assisi, on October 4th.

We Pray especially for Mercy and Compassion and for Peace in our own hearts, Peace in our homes and Peace in our world.

COW PARADE IN GODALMING

Captured with one of the beautiful cows in Godalming are: Srs Maura Bermingham, Shirley Mills and Norah Rohan.

Some interesting facts: CowParade was born in Switzerland in 1998 and since then has been staged in more than 80 cities and towns worldwide including New York, London, Mexico, Paris, Buenos Aires, and Istanbul. Over the years 3,000 cows have been decorated by more than 5,000 artists and over \$30 million dollars has been raised for charitable organisations at the auctions which take place at the end of each CowParade. CowParade New York had 450 cows and was seen worldwide by 45 million people. The highest-grossing cow was created by designer John Rocha for CowParade Dublin in 2003 - studded with thousands of pieces of Waterford Crystal it was auctioned for \$146,000.

And not to be left out is our newborn foal with white blaze and one white foot - Welcome to Ladywell!
