"DID YOU KNOW ??"

Susan Wakefield

As a birthday present, I was a Keeper for the Day at Birdworld, near Farnham. The weather was 'fowl' and I got completely drenched but I had a 'hoot' of a day! It was really hard work feeding the various types of hornbills, toucans, flamingos, cockatoos, parakeets, lorikeets, tawny frogmouths and numerous other birds but feeding the Humboldt penguins in the morning and the South African penguins in the afternoon were the highlight for me. I made a new friend, George but for some reason they wouldn't let me take him home.
