INSTITUTE OF ST ANSELM

Accredited International Centre for Leadership Training

Norfolk Road, Cliftonville, Kent, CT9 2EU

On the 29th May 'The Institute of St Anselm's celebrated a Eucharist of thanksgiving for 32 years of the Institutes presence in the UK. Sadly, due to circumstances outside their control, the Institute has had to close its doors here in England. In January, 2018 they will recommence their valuable ministry in Rome.

Congratulations!

There have been many of our sisters who have attended St Anselm's over the years. The last three to do so here in UK are Concilia Chemhere, Angelin Gnanapiragasam and Lucy Bello.

Concilia was able to complete her Diploma Course before the Institute had to close but Angelin and Lucy will return to complete their programmes in Rome next year.

Here are some photos of Concilia receiving her *Diploma of Higher Education in Human Development, Leadership, Formation and Community Building*.

Also some photos of Lucy and Angelin receiving their *Certificates in Human Psychospiritual Development, Leadership and Community Building*. Congratulations to all three for their achievement and hard work.
