

Embracing our Future –

Owning the gift of Vulnerability

What is your message to your sisters around the Congregation at this time?

Our messages to members at Assisi Chapter of Mats

Forget your fears and anxieties and try to put your heart and soul into making the new system, whatever it is, work.

Keep Christ in the centre of our lives and all will be well. Keep hoping; keep loving; keep trusting and keep our Franciscan joy in all circumstances.

I am certain that God, who began the good work within us, will continue his work until it is finally finished on the day when Christ Jesus returns. *(Philippians 1:6)* **COURAGE, It is God, FEAR NOT!**

Think outside the box. Listen to the Holy Spirit and each other

Let's stop being hampered by old models and start trusting our own insight and the leading of the Holy Spirit, in ourselves and in one another.

Chin up! Keep smiling we are alive! God loves us – we still are valued members with lots to contribute from our store of wisdom and experience.

Keep in mind God's message *(Jeremiah 29:11)* "My Plans for you are for peace not disaster preserving a future full of hope for you. When you pray to me I will hear you, when you call I will answer you".

Live in hope. Trust in the Lord have courage to walk with the Lord in His Light at all times. Ask Our Lady to help us every step of the way. Pray for each other.
