

FMDM Nigeria

We have two other communities, both in northern Nigeria – one in **JOS**, and one in **TUNKUS**, a rural village outside the town of **SHENDAM**.

Our Jos community is a house of formation for young women who feel called to religious life.

In Jos we welcome visitors from far and wide who are visiting Northern Nigeria.

Sisters minister in the prisons, the remand home, the local parish, school and various local outreach programmes.

They also play a leading role in the Damietta Peace Initiative thus sharing our Franciscan Values of Peace and Reconciliation with the people of Jos and surrounding neighbourhoods. www.damiettapeace.org.za

Our community in Tunkus has only recently opened. We have come here at the invitation of the Bishop of Shendam. The sisters are living and working alongside the local people whilst exploring how best we can serve this small community.

A new community
A new venture

NEW VENTURE Tunkus in Shendem Nigeria

NEW VENTURE IN NIGERIA

A dream, several years in the making, has come to fruition as two sisters have opened a community Tunkus, Shendam, Plateau State in northern Nigeria.

This is in response to an invitation from the Bishop of Shendam the Rt Rev James Daman OSA. The diocese was only established in 2007 and so it is exciting to be part of a new venture to nurture and nourish the seeds of Christianity in this part of Nigeria. We have been welcomed by the local people; they have given us accommodation until we can build our own convent.

The sisters are living and working alongside the local people whilst exploring how best we can serve this small community.
