Icon Writing and Prayer

"Whoever has seen me has seen the Father"
John 4:9

A Studio Art Retreat Presented by Sister Annette Lawrence DMJ

Icons are more than pictures, they are windows on the sacred and writing an icon can be a spiritual journey.
This workshop takes us from a bare board to a finished Icon; painting with prayer, reflections on Icons and practical instructions.
Artistic ability is NOT essential!

"He is the image of the invisible God"
Col 1:15

The Heart of Contemplation

A Quiet Day with Julienne McLean
at Ladywell Convent

Saturday 20th May 2017

I thought of the soul as resembling a castle, formed of a single diamond or of very clear crystal, and containing many rooms, just as in heaven there are many mansions. ...Let us imagine that there are many rooms in this castle, of which some are above, some below, others at the side; in the centre, in the very midst of them all is the principal chamber in which God and the soul hold their most secret intercourse.

St Teresa of Avila, Interior Castle, First Mansion

In these words, St Teresa of Avila, the 16th century Spanish Christian saint and Carmelite reformer, begins her extraordinary treatise on the journey of our soul towards 'union with Christ'.

Cost £25.00

Includes: Home Cooked Lunch,
Coffee and Tea breaks

**Glass icons,
inspired by the writings
of the Spanish Mystics,
made by Julienne,
will be displayed**

Julienne is a psychologist, Jungian analyst and spiritual director
in North London.

She has had a lifelong involvement in the Christian contemplative
tradition, and for many years has been teaching, writing and running
retreats on Jungian psychology, prayer and Carmelite spirituality.
