

## **week of Thanksgiving**

Sr Mary (inset) one of our American sisters enjoyed the celebration with her own recipe for pumpkin and carving the turkey on **THANKSGIVING DAY.**

As an international missionary congregation celebrations of different cultures is very important to us as Constitution 56 says:

We are sisters united by our vows in Christ. Called from different nations to serve God and each other in an international community, we rejoice in the richness of our different cultures brought together by his will. For he is our Peace who has made us one and has broken down the dividing wall (Ephesians 2:14). Our unity in diversity bears witness to the saving power of Christ

As we are blessed to have an American (Sr Mary) amongst us in Ladywell we celebrated **THANKSGIVING DAY** in style! We enjoyed the full menu of Turkey, Pumpkin Pie and all the trimmings, and this included a beautiful arrangement of fruits and flowers in the front hall.

Sr. Mary shared that: "Thanksgiving is a holiday celebrated on the fourth Thursday in November. Americans commonly trace the Thanksgiving Holiday to a 1621 celebration at the Plymouth Plantation (Massachusetts), where the Plymouth settlers held a harvest feast after a successful growing season.
